

Fund Raising Ideas for Convention

CRCA Youth Convention 2022

Convention is one of the great joys and privileges that we get to be apart of in the CRCA. But we realise that the cost of convention is a major factor affecting whether the youth and young adults in our churches are able to attend. As a CPC we want to make it as accessible as possible them. We do our best to keep prices down, but convention is still a pricey exercise. If you are a youth / young adult interested in coming along but have trouble with funds please take some time to discuss the available resources, help and opportunities from our church with your youth coordinator/ pastor/ church council. We have prepared this document with a couple of fund-raising ideas that churches/ youth groups / conventioners could use to raise the required funds for convention.

List of Ideas

1. Car Wash
2. Trivia Night
3. Fun Run / Walk
4. Host a garage sale / online garage sale
5. Tuck In
6. Coffee Cart & Cakes
7. Special Collection / Sponsorship
8. More Ideas

1. CAR WASH

One of the favourite ways to raise some funds for Convention is the infamous Car Wash. A Car wash is always a great idea as it's a good way to get the whole church and local community involved. It's a fun day when you get the hose out, it's pretty much a second wet games activity for your youth group. Though it is fun, a fair amount of effort and work that is needed to.

Volunteers	More hands = more cars washed, so lots of volunteers are good to have.
Equipment	It is not hard to get / expensive, but you will need to borrow/ buy the essentials.
Preparation	It is not hard work, but some decent preparation time is required to make it flow.

2. Trivia Night

Another classic fundraiser event is the classic Trivia Night. A Trivia Night has a lot of potential, you really can tailor it to what you would like to do / the people that will be coming along.

Volunteers	This will depend on how big you want to go; extra is on the night = extra volunteers
Equipment	A venue, projector, tables and seats.
Preparation	Lots of preparation, a run-sheet and an entertaining MC, are all very important.

3. Fun Run

Why not do a fun run? It does not have to be complicated, all you need are some people willing to run, some people willing to sponsor those runners a day, maybe a costume/ theme and bob's your uncle. With a fun run making a video that can be shared with sponsors is always welcomed, plus it captures the memories for years to come.

Volunteers	More runners hopefully equal more sponsors as well.
Equipment	Location is most Important for a good fun run.
Preparation	There is not a lot of planning and preparation required for a fun run.

4. Garage Sale / Online Garage Sale

There is really no need to give a description for a garage sale. This is something that you could host at your church building where members in the church donate things to be sold. The other option is to get church members to go through and set items online on Facebook marketplace or gumtree.

Volunteers	Needed to set up stalls.
Equipment	There is not a lot needed some stalls, tables, and a payment station.
Preparation	Not too much required, just

5. Tuck In

Who does not like some good food?? Honestly? Why not set up a day where people are able to buy tickets to a three-course meal? If you have a few people who love making food and a few more who like to eat food host a fancy dinner party where people can buy a ticket. Get the youth and young adults to be waiters and to help with kitchen prep.

Volunteers	A couple of good cooks, as many waiters and kitchen hands as you need for your size.
Equipment	A big enough kitchen and venue to host a food party.
Preparation	Cooks, volunteers, shopping, washing up.

6. Coffee Cart & Cakes

Maybe you already have a coffee cart, or maybe this is the opportunity to set one up. The idea is that once a month you host a Coffee and Cake stall. Have a conventioner family make or donate cakes. Then sell coffee and slices of cake after your Sunday service.

Volunteers	Roster of people making/ bringing cakes. Roster of people making/ selling coffee & cake.
Equipment	Not a lot required, a decent coffee machine is the most important item.
Preparation	Not a lot required, set up remind people of roster.
How to run one	More information can be found HERE .

7. Special Collection or Sponsorship

You could talk with your pastors and elders about the need to raise funds and the possibility of taking a special collection to help raise funds for convention. Or if that is not an option to make an announcement and ask if there are members in the church that would be willing to sponsor a part of the cost for one of the youth or young adults to go to convention. Many people in our churches attended convention themselves in the past and appreciate how worthwhile they are.
